

Cut out the parallelogram and fold on the dotted lines. Inside the book, write about the 2008 election. You can use the electoral votes map below or use a blank one found here: <http://www.vernonkids.com/cedarmountain/4thgradelinks/ElectoralVotes/electoral%20vote%20map.JPG>
 To use the pull tab, sandwich it between the minibook and the map, gluing only around the outer edges of the map, being sure to leave the heavy dark line at the bottom open for the pull tab.
