

FRONT

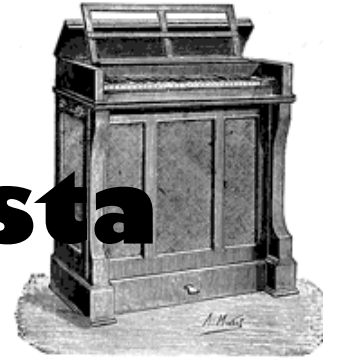

PULL TAB

Print on cardstock. Cut out both pieces. Cut the slit on the dotted line of the FRONT piece. Insert the PULL TAB through the slit. When you glue down the book, make sure to glue only around the outermost edges and not in the center. You want the slider to remain free to move up and down. Write “What instrument is this?” on the trapezoid tab. And on the rectangular part of the tab that is visible only when you pull up, write the answer — celesta.

The Celesta

Glue tab

Cut on solid lines; fold on dotted lines. If you need a longer accordion book, add the extra pages by gluing the three page part onto the two page part at the tab.
